

LeanSight TERMS OF USE

Software as a Service (“SaaS”)

The terms and conditions set forth below (the “Terms”) govern the use of services at the LeanSight website and are legally binding on Licensee, including Licensee’s employer, employees, consultants, agents and customers as permitted. If Licensee does not agree with one or more of the Terms, do not access or otherwise use the LeanSight website or any information contained on the LeanSight website.

Licensee’s use of LeanSight website is Licensee’s agreement to abide by each of the Terms set forth below.

1. USE OF SITE

All information, materials, databases, text, products, software, services and other content provided on the LeanSight website, including, without limitation, trademarks, logos, graphics and images are owned by or licensed to LeanSight, whether or not proprietary, which are made available to each self-hosted user through LeanSight self-hosted software or Software as a Service (SaaS) hosted user through LeanSight hosted applications (the “**LeanSight Content**”). The LeanSight Content contains trademarks, service marks and trade names which are owned by LeanSight, and may also contain trademarks, service marks and trade names owned by third parties. Any content originally provided by Licensee, or a Licensee’s authorized user, to LeanSight SaaS Hosted applications or LeanSight Self-Hosted software in the course of its normal use and operation (“**Project Content**”) does not include Hosted User Information. **Hosted User Information** shall refer to personally identifying information, such as the user’s name, provided by LeanSight SaaS Hosted Users to LeanSight Hosted Applications. **Hosted User Information shall not mean or be interpreted to be Project Content.**

Licensee is authorized to use the LeanSight Content solely for Licensee’s internal business use, as more particularly set forth below, and not for resale, license or further distribution, whether private or public. Any copy of the LeanSight Content or portion thereof must include the copyright notice set forth below:

No other permission other than the rights set forth below is granted to Licensee to use, execute, reproduce, publicly display, publicly perform, distribute, store, alter or modify the LeanSight Content. No permission is granted to use LeanSight icons, site address, or other means to hyperlink other Internet sites with any page in this Site.

LeanSight does not monitor Licensee’s data and transmissions and does not represent or warrant that any user information provided by users of the LeanSight website is accurate, complete or not misleading. LeanSight does actively monitor accounts for system utilization and billing records. However, in LeanSight’s efforts to promote good citizenship within the Internet community, if LeanSight becomes aware of inappropriate use of the LeanSight website or any LeanSight service, LeanSight will respond accordingly. Licensee, on behalf of its employees, consultants, customers and any other user of Licensee’s password, acknowledges that LeanSight will report to law enforcement authorities any actions which may be considered illegal, as well as any reports it receives of such conduct. When requested, LeanSight will cooperate fully with law enforcement agencies in any investigation of alleged illegal activity on the Internet.

If Licensee violates these Terms of Use, LeanSight reserves the right to terminate service to Licensee without notice and to terminate the access rights granted to Licensee hereunder. LeanSight’s preferred course of action is to advise Licensee of your inappropriate behavior and recommend any necessary corrective action. However,

flagrant violations of these Terms of Use, as determined by LeanSight in its sole discretion, will result in immediate termination of service. In the event that Licensee's account is inactivated as a result of any prohibited activities, the account may be subject to reactivation charges and/or deposit requirements to be determined by LeanSight. Licensee understands that LeanSight has the right to terminate any account for any reason that LeanSight interprets as an abuse of the account. Licensee's sole and exclusive recourse and remedy is to receive a refund for prepaid but unused services, if applicable.

Any product, service, process, or technology in the Contents, or offered through the LeanSight website, are subject to intellectual property rights owned by LeanSight and/or its suppliers and licensors. Nothing contained in the LeanSight website shall be construed as conferring any right under any copyright, trade secret, patent, trademark or other intellectual property rights of LeanSight or any third party, except for the rights of access expressly granted in these Terms of Use. LeanSight is Registered®, a Registered Service MarksSM, or Registered TrademarksTM of LeanSight BV in the Netherlands and other countries.

2. **RIGHT OF ACCESS**

Subject to the terms and conditions of this Agreement, LeanSight grants to Licensee a non-transferable, worldwide, nonexclusive right to access and use, in object code form only, the LeanSight software, and any enhancements, improvements or modifications thereof, provided by LeanSight to Licensee through the LeanSight website (all of the foregoing "**Software**"), on one or more servers operated by or for LeanSight. The number of such servers is determined by LeanSight. This right of access is granted for the sole purpose of using the Software and its components to generate documentation and to perform calculations for Licensee's use regarding Licensee's projects.

LeanSight also grants Licensee access to any documentation provided with the Software ("**Documentation**") for Licensee's internal purposes defined above. Should Licensee discover typographical or grammatical errors, content errors, or any other discrepancies in the Documentation published or located online, Licensee shall notify LeanSight immediately in which case LeanSight shall correct any errors.

By accepting this grant of access or operating under it, Licensee acknowledges and agrees that in using the LeanSight website, Licensee will be inputting Licensee's own, or Licensee's customer's own, data into one or more data bases residing on one or more servers operated by or for LeanSight, and that Licensee is responsible for any errors, inaccuracies or defects resulting from Licensee inputting, or operating upon, such data.

3. **RESTRICTIONS**

Licensee agrees not to reverse engineer, translate, disassemble, or decompile the Software, or otherwise attempt to create any source code which is derived from any of the Software, nor shall Licensee attempt to create any passwords to allow unauthorized activation of the Software. Licensee further agrees not to grant licenses of its rights of access granted hereunder or to reproduce, distribute, display, publicly perform or create derivative works from the Software. Though not authorized to do so, should Licensee create any derivative works of the Software, Licensee hereby assigns any and all right, title and interest in such derivative works to LeanSight.

4. **CONFIDENTIAL INFORMATION**

During the term of this Agreement, each party may or will have access to certain confidential information of the other concerning such party's business, including such party's products, services, technical data, trade secrets, inventions, processes,

customers, marketing, sales and other business information. All such information shall be deemed "**Confidential Information**." Each party shall use the Confidential Information of the other solely in exercising its rights granted under this Agreement, and all Confidential Information shall remain the sole property of the disclosing party. With regard to Confidential Information, each party shall use the same degree of care as it uses to maintain the confidentiality of its own confidential information, but no less than reasonable care not to make disclosure of the Confidential Information to any third party without the written consent of the disclosing party, except to employees, consultants or agents to whom disclosure is necessary in exercising its rights granted under this Agreement and who are bound by a duty of confidentiality with respect thereto. Information shall not be deemed confidential if it (1) is known to the receiving party prior to receipt from the disclosing party as reasonably evidenced by such receiving party; (2) becomes known to the receiving party from a source other than one, who, to receiving party's knowledge, is under an obligation of confidentiality to the disclosing party; (iii) becomes publicly known or otherwise ceases to be confidential other than by a breach of the receiving party; (iv) is independently developed by the receiving party without access to the information of the other party. The confidentiality obligations hereunder shall survive the termination of this Agreement.

5. **INTELLECTUAL PROPERTY RIGHTS**

All right, title and interest in and to all Software, data bases or other technology provided by or on behalf of LeanSight under this Agreement, and modifications or derivative works thereof, and any accompanying documentation, manuals or other materials supplied under this Agreement, and any reproductions made thereof, including all intellectual property rights in all of the foregoing, remain with LeanSight or its licensors. Licensee shall not remove any product identification or notices of such intellectual property rights from any of the foregoing.

6. **TERMINATION**

This Agreement may not be terminated or cancelled during the Term, except as follows: (i) Either party may terminate this Agreement by written notice or by using the cancellation functions at the Site at least thirty (30) days prior to the expiration of the Term and effective upon the conclusion of such term; (ii) Payment. If any payment due hereunder is not made and there is a failure to cure such breach within thirty (30) days of the payment due date, LeanSight may immediately, upon written notice, terminate this Agreement; (iii) Curable Breach. Except as otherwise set forth in this Section, if either party materially breaches any term or condition of this Agreement and fails to cure such breach within thirty (30) days after receiving written notice of the breach, the non-breaching party may terminate this Agreement on written notice at any time following the end of such thirty (30) day period; (iv) Insolvency. This Agreement shall terminate immediately upon written notice by either party, if the other party has a receiver appointed, or an assignee for the benefit of creditors, or in the event of any insolvency or inability to pay debts as they become due, except as may be prohibited by applicable bankruptcy laws.

Upon termination of this Agreement, Licensee's rights to the Contents, including, but not limited to use and access, will automatically terminate. Licensee will discontinue Licensee's use of the Contents and return or, at LeanSight's election, destroy any copies of the Documentation provided with the software that Licensee may possess.

7. **USER DATA AND INFORMATION**

To enable LeanSight to use Licensee's data and information in connection with the LeanSight website, Licensee hereby grants to LeanSight and any administrator selected by LeanSight, a non-exclusive, worldwide, perpetual, irrevocable, royalty-free, sub licensable license to use, reproduce, modify, adapt, publish, distribute, perform and

display any information and material that Licensee submits in connection with Licensee's registration with the LeanSight website ("**User Information**"), and to incorporate it in other works in any other form, media or technology now know or later developed.

Licensee represents and warrants (1) that all data and information Licensee enters into a data base, or otherwise supply, under this Agreement will be accurate and complete; (2) that Licensee will update the data and information as appropriate to maintain its accuracy and completeness; and (3) that Licensee assume the risk of any loss or damages if such data is inaccurate, incomplete or otherwise in error.

The data Licensee enters into the data base on a server operated by or for LeanSight will be stored. If Licensee requires copies of such data, please contact LeanSight.

8. **USE OF PROJECT CONTENT AND INFORMATION**

LeanSight acknowledges that in connection with Licensee's use of the LeanSight website, Licensee may provide non-public information to the Site regarding Licensee's project ("Project Content and Information"). "**Project Content and Information**" shall mean any content originally provided by Licensee, or a Licensee's authorized user, to LeanSight SaaS Hosted Applications in the course of its normal use and operation. Project Content does not include Hosted User Information. "**Hosted User Information**" shall refer to personally identifying information, such as the user's name, provided by LeanSight Hosted Users to LeanSight Hosted Applications. Hosted User Information shall not mean or be interpreted to be Project Content.

LeanSight shall only access the Project Content and Information to the extent reasonably necessary to: (i) host the Project Content and Information on servers maintained by or on behalf of LeanSight; (ii) enable Licensee's use of the LeanSight website; and (iii) to periodically back up the Project Information. Licensee acknowledges and agrees that LeanSight will back up the Licensee's Project Content and Information in accordance with LeanSight's Service Level Agreement to properly maintain the master copies of data in order to quickly restore data in case of loss and Licensee assumes all risks of inaccuracy, loss or damage to any Project Content and Information Licensee provides to the Site.

Except as provided for in this Agreement, Licensee shall have and retain all rights, title and interest in and to all of the Licensee's Project Content and Information.

9. **DATA COLLECTION FOR SUPPORT SERVICES**

LeanSight may provide directly, or through qualified third parties, corrective and preventative technical support services under the terms of a maintenance and support services Agreement. Licensee expressly consents to the provision and collection of certain information and data in connection with the services. Licensee expressly consents to LeanSight permitting certain third parties and consultants that it retains to perform services on its behalf to access Licensee's information and data solely to perform the support and maintenance services for Licensee. Licensee is responsible for providing any required notices and/or obtaining any required consents relating to collection and use of such data (including any such consent necessary for LeanSight to provide these services). Licensee is responsible for taking the steps necessary to ensure that the use of the services complies with applicable laws, regulations, and codes of practice. Licensee acknowledges that to the extent permitted by law, LeanSight assumes no responsibility for storage of Licensee's data or information.

LeanSight is committed to protecting the security of Licensee's information. LeanSight uses a variety of security technologies and procedures to help protect Licensee's information from unauthorized access, use, or disclosure and does not use or disclose sensitive personal information without Licensee's explicit written consent.

LeanSight takes all necessary precautions to protect the privacy of information, while delivering products that bring Licensee the performance, power and convenience Licensee desires in the LeanSight software applications. When LeanSight needs information for corrective and preventative technical support services that personally identifies the Licensee or allows LeanSight to contact the Licensee, LeanSight will explicitly ask Licensee for it. Personal information that the Licensee provides will not be transferred to third parties without Licensee's consent. LeanSight occasionally utilizes third party companies to provide limited services on LeanSight's behalf and LeanSight will only provide those companies the personal information they need to deliver the service, and those companies are prohibited from using that information for any other purpose.

The personal information LeanSight collects from the Licensee will be used by LeanSight, and its third party suppliers, to 1) provide the technical support service(s) or the transaction(s) Licensee has requested or authorized; 2) be used to request additional information on feedback that Licensee provides about the product or service that is being used; 3) to provide critical updates and notifications regarding the pre-release software; or 4) to improve the product or service, i.e. fixing reported product issues.

10. UNAUTHORIZED ACTIVITIES

Licensee acknowledges that the data and the information that Licensee enters into a data base under this Agreement, and Licensee's use of the Contents contained on the LeanSight website are subject to copyright laws, trademark laws, the laws of privacy and publicity, certain communications statutes and regulations and other applicable laws and regulations. Licensee agrees to be wholly responsible for Licensee's actions or the actions of any person using Licensee's password in respect of those laws. Licensee agrees not to interfere with the use of the LeanSight website by others, including, without limitation, the submission of any virus to the LeanSight website or the transmission of junk mail, spam, bombs or unsolicited email. Licensee further agrees not to place on the LeanSight website, or use the LeanSight website or its facilities to communicate, any unlawful, annoying, harassing, defamatory, libelous, abusive, threatening, harmful, vulgar, obscene or tortuous material of any kind or any material that invades, infringes or violate the rights of any person or entity.

11. INDEMNITY

Licensee agrees to indemnify and hold LeanSight entirely harmless from and against any and all claims, demands, costs, damages, liabilities, and expenses (including, without limitation, costs of investigation and attorneys' fees) incurred or to be incurred by LeanSight arising from or relating to (i) use of the LeanSight website or databases, (ii) breach of any term of this Agreement, (iii) violation of any applicable law, regulation or the right of any third party, or (iv) negligence, misrepresentation, error or omission, by Licensee, Licensee's employees, consultants, agents, or customers, or by any other party using Licensee's password.

12. DISCLAIMER OF WARRANTY

EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LEANSIGHT PROVIDES THE CONTENT AND ANY OTHER INFORMATION ON THE LEANSIGHT WEBSITE, AS WELL AS ALL DATABASES AND EQUIPMENT, ON AN "AS IS" AND "WHERE IS" BASIS, WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT OF THIRD-PARTY RIGHTS. LEANSIGHT DOES NOT ASSUME, AND EXPRESSLY DISCLAIMS, ANY RESPONSIBILITY FOR ERRORS, OMISSIONS OR

MISREPRESENTATIONS IN ANY USER DATA OR USER INFORMATION SUBMITTED BY, OR INPUTTED BY, LICENSEE AS USER, OR IN OTHER INFORMATION THAT IS REFERENCED BY OR LINKED TO THE LEANSIGHT WEBSITE, OR BY LICENSEE USING THE LEANSIGHT WEBSITE PURSUANT TO ANY DOCUMENTATION OTHER THAN THE DOCUMENTATION PROVIDED HEREUNDER BY LEANSIGHT. IN ADDITION, LEANSIGHT IS NOT RESPONSIBLE FOR ANY DAMAGES OR OTHER LOSS RESULTING FROM ANY CONTRACT LICENSEE ENTERS INTO WITH ANY THIRD PARTY, IN CONNECTION WITH WHICH CONTRACT THE LICENSED SOFTWARE OR THE LEANSIGHT WEBSITE OR ANY DATA BASE IS OR MAY BE USED.

LEANSIGHT DOES NOT WARRANT THAT LICENSEE'S USE OF THE LEANSIGHT WEBSITE, THE OPERATION OR FUNCTION OF THE LEANSIGHT WEBSITE, ANY DATA BASE OR EQUIPMENT, ANY COMPONENT OF ANY OF THE FOREGOING, OR ANY SERVICES OFFERED IN CONNECTION THEREWITH, WILL BE UNINTERRUPTED OR ERROR FREE; OR THAT DEFECTS THEREIN WILL BE CORRECTED; OR THAT THE LEANSIGHT WEBSITE OR ANY INFORMATION OR DATABASE, OR ANY SERVER OR OTHER EQUIPMENT OPERATING THEM IS FREE OF VIRUSES OR OTHER HARMFUL ELEMENTS. LICENSEE FURTHER ACKNOWLEDGES THE SITE MAY BE UNAVAILABLE FOR PERIODS OF TIME DUE TO MAINTENANCE, UPGRADES OR EVENTS BEYOND THE REASONABLE CONTROL OF LEANSIGHT AND THAT LEANSIGHT SHALL HAVE NO LIABILITY TO LICENSEE FOR SUCH UNAVAILABILITY.

13. LIMITATION OF LIABILITY

ALTHOUGH LEANSIGHT ENDEAVORS TO PROVIDE CURRENT, ACCURATE AND RELIABLE INFORMATION ON THE LEANSIGHT WEBSITE AND ON ASSOCIATED DATA BASES, SERVERS AND OTHER EQUIPMENT, IT DOES NOT WARRANT OR MAKE ANY REPRESENTATIONS REGARDING THE ACCURACY, RELIABILITY OR ANY USE OF ANY OF THE FOREGOING. LICENSEE ACKNOWLEDGES BY USE OF THE LEANSIGHT WEBSITE OR ITS SERVICES THAT LICENSEE DOES SO AT ITS OWN RISK AND THAT LICENSEE ASSUMES FULL RESPONSIBILITY FOR ALL COSTS ASSOCIATED WITH THAT USE, INCLUDING, WITHOUT LIMITATION, ALL NECESSARY SERVICING OR REPAIR OF ANY EQUIPMENT LICENSEE USES IN CONNECTION WITH THAT USE.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LEANSIGHT SHALL NOT BE LIABLE TO LICENSEE OR ANY THIRD PARTY CLAIMING THROUGH LICENSEE FOR ANY DAMAGES SUFFERED AS A RESULT OF ITS USE OF THE LEANSIGHT WEBSITE, ANY DATA BASE, INFORMATION OR EQUIPMENT. IN NO EVENT SHALL LEANSIGHT BE LIABLE TO LICENSEE OR ANY OTHER PARTY FOR ANY INDIRECT, EXTRAORDINARY, EXEMPLARY, PUNITIVE, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES (INCLUDING BUSINESS INTERRUPTION OR LOSS OF DATA, REVENUE, PROFITS, USE OR OTHER ECONOMIC ADVANTAGE) RESULTING FROM USE, OR INABILITY TO USE, THE LEANSIGHT WEBSITE, OR THE INTERRUPTION, SUSPENSION OR TERMINATION OF THE LEANSIGHT WEBSITE, HOWEVER ARISING. THE FOREGOING DISCLAIMER APPLIES WHETHER THE ABOVE CLAIM FOR DAMAGES IS FOR BREACH OF CONTRACT OR IN TORT, EVEN IF LEANSIGHT HAS BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

CERTAIN JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE EXCLUSIONS SET FORTH ABOVE MAY NOT APPLY TO LICENSEE.

14. INTENDED AUDIENCE

LeanSight operates the LeanSight website from its headquarters in the Netherlands and makes no representation that the LeanSight website is appropriate or will be available for use in other locations. Licensee is entitled by this Agreement to use the LeanSight website from outside the Netherlands. However, if Licensee does so, Licensee is entirely responsible for compliance with applicable local laws, including, without limitation, the export and import regulations of other countries in relation to the LeanSight website.

15. EXPORT RESTRICTIONS

It is the policy of LeanSight to comply strictly with US and host government laws and regulations when exporting or re-exporting. The U.S. Government maintains certain embargoes and restrictions that vary from country to country for the export and re-export of certain commodities and technical data of United States origin, including Software in any medium. LeanSight and its entities and employees, worldwide, are prohibited from all dealings with any country on the Office of Foreign Assets Control ("OFAC") of the US Department of the Treasury Trade Sanctions List located at US Dept. of Commerce Bureau of Industry and Security: http://www.pmddtc.state.gov/embargoed_countries/index.html in addition to restricting business transactions with individuals on the Denied Persons List located at <http://www.bis.doc.gov/dpl/default.shtm>.

Neither LeanSight nor Licensee shall export, directly or indirectly, any information acquired under this Agreement or any products utilizing any such information to any country for which the U.S. Government or any agency thereof at the time of export requires an export license or other government approval without first obtaining such license or approval.

16. GENERAL

This Agreement may be modified only by a writing executed by an authorized representative of LeanSight. No LeanSight dealer or sales representative is authorized to make any modifications, extensions or additions to this Agreement.

Licensee agrees that LeanSight and/or its suppliers may make improvements and/or changes in the products, databases, services, programs and prices described on the LeanSight website at any time without notice, and Licensee further agrees that LeanSight can revise these Terms of Use at any time without notice by updating this posting. Licensee agrees that continued use of the LeanSight website after such revisions have been posted constitutes Licensee's acceptance of such revised Terms of Use. Licensee acknowledges that LeanSight reserves the right to discontinue, on a temporary or permanent basis, the LeanSight website, any database and the services and products provided therein without notice and without liability to Licensee. Any action related to these Terms of Use will be governed by Dutch law, without regard to the choice or conflicts of law provisions of any jurisdiction. Licensee agrees to submit to the jurisdiction of the courts located in Amsterdam, The Netherlands, for the resolution of all disputes arising from or related to these Terms of Use and/or Licensee's use of the LeanSight website.

If any provision of these Terms of Use are held by a court of competent jurisdiction to be contrary to law, then such provision(s) shall be construed, as nearly as possible, to reflect the intentions of the parties, with all other provisions remaining in full force and effect. The failure of LeanSight to enforce any right or provision in these Terms of Use shall not constitute a waiver of such right or provision unless acknowledged and agreed to by LeanSight in writing. The Terms of Use supersede all prior or contemporaneous negotiations, discussions or agreements, if any, between the parties regarding the subject matter contained herein.
